

SO 1.13 Custody of Promissory Notes in actions filed by the United States.

In any civil action filed in this court by the United States of America for collections of sums due as a result of execution of a promissory note in favor of the United States or any agency thereof, the United States Attorney is hereby designated custodian of such original promissory note and is authorized to file a copy of such note in the official with the understanding that the original note shall be produced upon demand by the court.
