

U.S. District Clerk of Courts Western District of Louisiana

Statement of Work (SOW)

1 DESCRIPTION

1.1 INTRODUCTION:

Organization background:

The District Clerk's Office is in charge of mailing out jury notices and questionnaires. These notices have 3 each 8.5" x 11" pages plus 1 each # 9 BRE (Business Reply Envelope). These are stuffed into a #10 window envelope. Currently we own a Pitney Bowes Model DI-600 envelope folder/inserter to be considered as trade in with purchase of new machine.

Requirement background:

The District Courts would like to replace the Pitney Bowes Model DI-600 located in the Shreveport Office with a folder/inserter with the following minimum specifications:

- 1) System must be capable of handling a minimum of 2,000 mailings per hour.
- 2) Must have a minimum of 3 insert trays plus BRE feeder insert tray and 1 envelope hopper.
- 3) Insert trays must be capable of holding a minimum of 300 sheets each.
- 4) Envelope hopper must be capable of holding a minimum of 300 envelopes.
- 5) Must be easy to use, fast, smooth adjustments for different sizes and fold configurations.
- 6) Minimum 90 day warranty.
- 7) Turn key installation and training on use of this equipment.
- 8) Optional quote will be needed for an annual full service and parts maintenance agreement on this equipment for a minimum of 5 years. **Maintenance will be billed in arrears and funded annually at quoted price depending upon availability of funds.**
- 9) Optional height adjustable table capable of supporting complete folder/inserter unit.

1.2 PURPOSE:

The U.S. District Courts have a requirement for a new folder /inserter to replace the existing Pitney Bowes Model DI-600. Training of capabilities and operation of this machine will be needed for the clerk's staff.

1.3 SCOPE:

Replacement of the Pitney Bowes Model DI-600, located at Suite 1167, 300 Fannin Street Shreveport La, 71101 with a folder inserting machine with the capabilities listed in the requirement background of Section 1.1

1.4 SPECIAL REQUIREMENTS:

The contractor shall supply data needed for system requirements to the contracting officer. Specifications will be sent to the contracting officer for approval before awards will be made. Possible trade- in discount for existing Pitney Bowes model DI-600 shall be quoted in pricing.
