CM/ECF Login

Personal Info

The Personal Info section of the profile contains your designation, name, and contact information. If any information is missing or incorrect, you can change your personal info by clicking Edit to the right of this section of the profile.

Only self-employed Service Providers must enter a social security number in the user profile, Companyemployed Service Providers will need to enter the EIN. Once you have saved your social security number, it becomes read-only and the record is transmitted to CJA 6x. Once your record has been

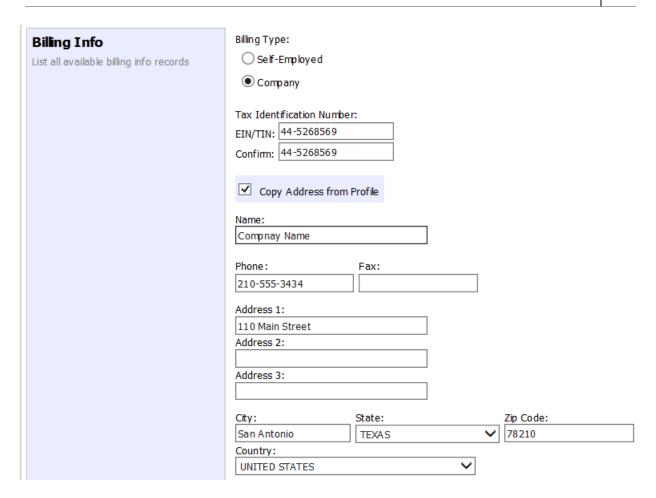

transmitted to CJA6x, any changes to the social security number can only be made by an eVoucher administrator. If you need to make a change, you must contact your court.

Billing Info

The billing information for your services is contained in the Billing Info section of the profile. If your personal information, address, and phone are correct, you can select the checkbox to Copy Address from Profile. You will not be allowed to submit a voucher in CJA eVoucher without complete billing information. You may edit the billing info by clicking **Edit** to the far right of the **Billing Info** section of the profile.

Company-employed service providers are required to enter their name, email information, company's EIN, name, and payment address information in the billing information section of the user profile. This information is used to establish the company's record in CJA 6x.

You may add additional billing records by clicking the Add button. You, or the attorney for whom you are providing services, must choose the billing information you wish to use when creating vouchers or authorizations.

Payments cannot be made if the social security number or EIN is missing from your profile. This is a requirement of the payment system which eVoucher is interfacing with.

The "Billing Info section has added a "Billing Type" which includes:

- "Self-Employed" used when payments are made to the expert's social security number.
- "Company" used when payments are made to a firm's EIN number.

Validations have been added to billing information to ensure the data is in the proper format to be sent to the payment system. If the data is not in the proper format, payments cannot be made. The system will alert you if there are problems with your billing information data. You will need to fix those problems before payments can be made. We ask that you access your profile and verify your social security number, add your social security number if it is not there (unless you are acting only as an associate on the system) and verify your billing information. Please do this as soon as possible so there will not be an interruption in your payments.

Also, please note that you will not be able to change your social security number or your EIN once it has been synced with the interface. Only the CJA6XAdmin user will have rights to change SSNs. Also, please remember to add new or additional billing records if your billing information changes. Do not edit the existing record.

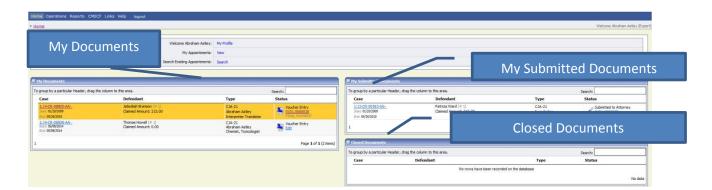

Expert Specialties

The Expert Specialties section will list any specialties for which you are approved for eVoucher billing. If you are selected from the approved experts list, when vouchers or authorizations for service providers are created in eVoucher, the selection of your specialty will populate your name and billing information (with social security number/EIN masked). That specialty will also be checked on any of the CJA forms (CJA-21, CJA-24, or CJA-31) created in eVoucher.

Expert v. Expert Enter

CJA eVoucher allows two designations for Experts to complete the voucher: Expert and Expert Enter. When the service provider logs in, he or she will see a list of all of his or her documents on the home page. The Expert role will allow the service provider to log in to eVoucher, view any documents the attorney is creating on his or her behalf, verify the information is correct, and run reports or copies of the CJA-21 or CJA-31.

The Expert Enter role allows the expert to complete his or her voucher after the attorney has created it. If the attorney selects an expert who has Expert Enter privileges, they will be able to choose if the attorney or the expert will complete the voucher. The expert can then enter the correct information and submit the voucher back to the attorney for approval.

CJA-21/31 Entry

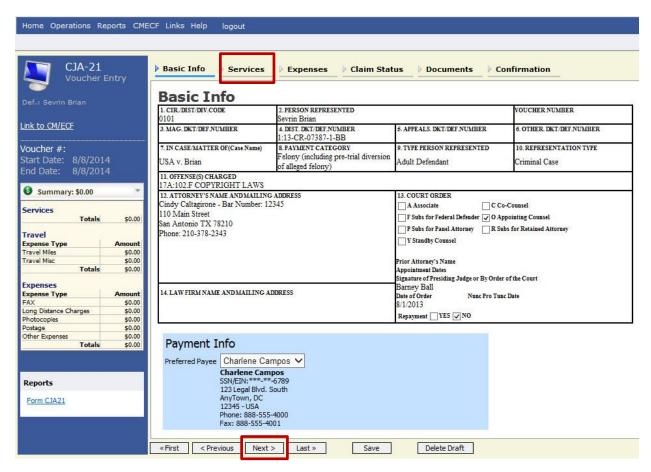

The attorney will create the CJA-21 or CJA-31 voucher. If the expert selected is authorized to use eVoucher (Expert Enter rights), the attorney can choose to let the expert enter the services and expenses. The attorney should notify the service provider that the voucher has been created and is awaiting completion by the provider.

Log in to the eVoucher application. The voucher should appear in your My Documents folder on your home page.

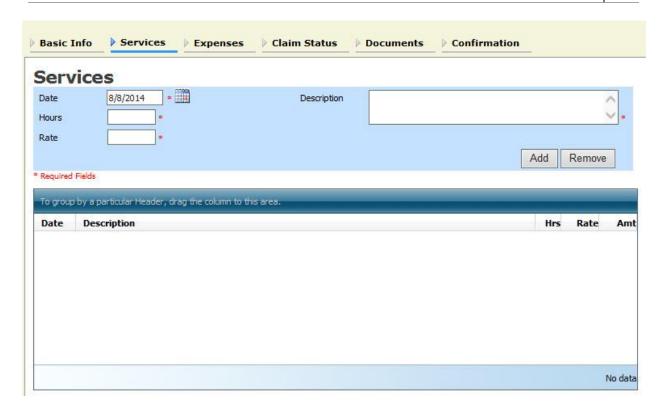

To enter your fees and expenses, click the **Edit** hyperlink under the **Status** column.

The Voucher will open to the **Basic Info** tab screen. The left-hand panel will display a running summary of the services and expenses as they are entered and saved.

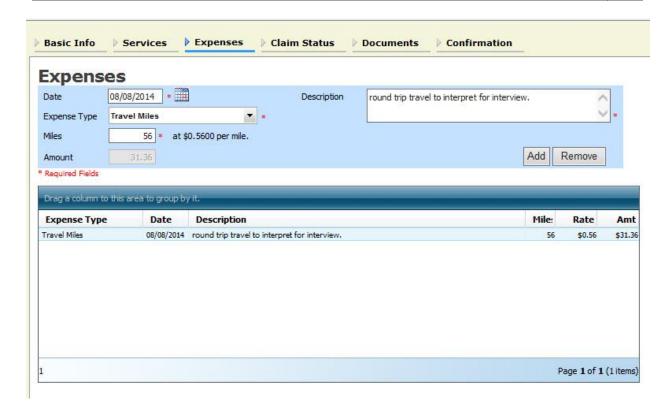

To enter your service fees and expenses, from the Basic Info screen, click the Services tab at the top of screen or click **Next** at the bottom of the screen.

Required fields are marked with a red asterisk. Enter the date of the service, number of hours billed and the rate. A description of the service provided is required. Click Add.

You may continue to add additional entries until you have entered all of your service dates. There is no autosave feature in eVoucher – make sure to click Save after every few additions. Do not click on eVoucher menu items without saving.

To enter charges for any additional expenses, click the **Expenses** tab at the top of the screen or click **Next** at the bottom of the screen.

Enter expenses and click Add. Be sure to save your items.

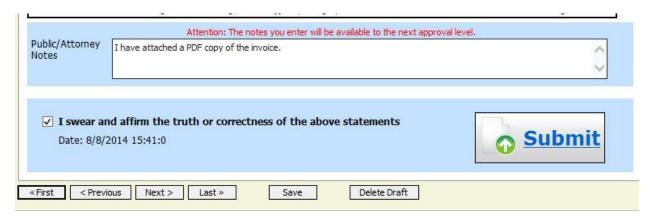

The **Claim Status** tab will include the date range of your services. The dates default to the day of the creation of the voucher. Ensure that the date range covers the days for which you are billing services and expenses.

Under **Payment Claims**, make a payment selection. Final payment indicates you will not be billing more on this particular appointment. Interim payments must be OK'd by the court but may be applicable for those involved in long cases. Supplemental payments cover forgotten charges discovered after final payment has been requested.

Navigate to the **Documents** tab and attach any receipts, invoices, or documents as PDF documents. Label and describe the attachment in the description field and click **Upload** to attach the PDF documents.

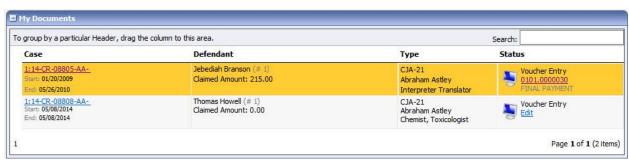

When you have entered all expenses and documents and are ready to submit the voucher, advance to the Confirmation tab. You will be able to review the summary of the voucher and can add any notes which will be available for the attorney and the court staff auditing the voucher.

To submit the voucher, select the "I swear and affirm..." checkbox. This action will also date and time stamp the submission. The **Submit** button will become active. Click **Submit** to move the voucher forward to the attorney who must review your voucher before submitting it to the court.

Returned Vouchers

Should there be any issue with your voucher, the attorney may return the voucher to you for correction or additional documentation. Any voucher returned to you will appear with a gold-yellow background. Often the return of the voucher will be accompanied by an email explaining the circumstances. Additionally, you can examine the attorney notes on the **Confirmation** page to find additional direction.

Printing a Form CJA21

Should you wish to print a copy of your submission, from the left-hand panel click the Form CJA21 link to print a standard version of the voucher.

Any reports the expert may have access to will be displayed in the **Reports** section. Click on the **Reports** menu item to see which reports are accessible.
