LOCAL CIVIL RULE 65.1 - SECURITY: PROCEEDINGS AGAINST SURETIES

LR65.1.1 Qualifications of Sureties

Every bond furnished in connection with a civil proceeding in this court must have as surety either (1) a cash deposit equal to the amount of the bond, (2) an obligation of the United States Government, or (3) a corporation authorized by the Secretary of the Treasury of the United States to act as surety on official bonds, pursuant to *31 USC 9303-9309*, except that a bond for costs may instead have as surety an individual resident of the district who satisfies the clerk that he/she owns real or personal property within the district sufficient to justify the full amount of the suretyship.

Only by stipulation of the parties or by order of the court may some other form of surety be permitted.

LR65.1.2 Court Officers Not to Be Sureties

No clerk, marshal, member of the bar, or other officer of this court will be accepted as surety on any bond or undertaking in any action or proceeding in this court.

LOCAL CIVIL RULE 67 - DEPOSIT IN COURT

LR67.1 Receipt and Deposit of Registry Funds

All funds received in the registry of the court in civil cases whose principal sum is more than \$1,000

will be deposited by the clerk with the court's designated depository. Funds whose principal sum is \$1,000 or less will be deposited in the court's U.S. Treasury registry and will bear no interest. In criminal cases, funds received by the court for a bail bond will be deposited in the U. S. Treasury and will bear no interest.

LR67.2 Form of Order

A proposed order to deposit funds in the court's registry must specify the amount to be deposited. Unless otherwise specifically provided by order of the court, any interest earned on registry accounts will accrue to the person or persons ultimately found to be entitled to receive the original principal amount deposited in the court's registry.

LR67.3 Disbursement of Registry Funds

Funds will be disbursed from the registry of the court only upon order of a judge of this court. It is the responsibility of counsel filing a motion for disbursement to satisfy the court of the recipient's entitlement to the funds sought to be disbursed.

In the Western District, a motion for disbursement of registry funds will be submitted to the financial deputy clerk for certification of the principal amount of the fund held in the registry in a particular case before the motion is presented to the judge.

A motion for disbursement of registry funds will set forth the principal sum initially deposited, the amount of principal funds to be disbursed, to whom the disbursement is to be made, complete mailing instructions and specific instructions regarding distribution of accrued interest.

Each motion must be accompanied by a proposed order which must contain substantially the following language: "The clerk is authorized and directed to draw a check (or checks) on the funds on deposit in the registry of this court in the principal amount of _____ plus all interest earned less the assessment fee for the administration of funds, (*or state other instruction regarding interest*), payable to (*Name and address of payee*), and mail or deliver the check (or checks) to (*payee or attorney*) at (*full address with zip code*)."

If more than one check is to be issued on a single order, the portion of principal due each payee must be stated separately. For non-interpleader funds, counsel must also provide the Social Security number or Tax I.D. number for each payee. However, due to privacy issues, the Social Security number or Tax I.D. number should not be put in the "Order for Disbursement." Such numbers should be put in a separate letter addressed to the Clerk's Office or emailed to lawd_financial@lawd.uscourts.gov.

On all checks drawn by the clerk on registry funds, the name of the payee must be written as that name appears in the court's order providing for disbursement.

The clerk will issue disbursements as soon after receipt of the order for disbursement as the business of the clerk's office allows, except when it is necessary to allow time for a check or draft to clear or when otherwise directed by the court. It is the responsibility of the moving party to verify that the funds have been paid within a reasonable time.

LOCAL CIVIL RULE 83.2 - ATTORNEYS

LR83.2.1 Roll of Attorneys

The bar of the court consists of those lawyers admitted to practice before the court who have taken the prescribed oath.

LR83.2.2 Eligibility

Any member of the Bar of the Supreme Court of Louisiana who is in Good Standing with that Court is eligible for admission to practice before this Court. Should any member's status of being in Good Standing with the Bar of the Supreme Court of Louisiana lapse at any date for any reason, then his/her right to practice in this Court will be deemed lapsed as of the same date.

LR83.2.3 Procedure for Admission

- A. In General. Each applicant for admission to the bar of this court must file an online application at www.pacer.gov using his or her upgraded individual PACER account and endorsed by one member of the bar of this court listing the applicant's domicile and office address, his or her general and legal education, the courts that have admitted him or her to practice, and stating that the applicant is qualified to practice before this court, is of good moral character, and is not subject to any pending disbarment or professional discipline procedure in any other court. If the applicant has previously been subject to any disciplinary proceedings, full information about the proceedings, the charges and the result will be given.
- B. Oath, fees, time to complete application. The petitioner may then be admitted in open court, in chambers or by mail, and upon taking an oath to conduct himself or herself as an attorney or counselor of this court uprightly and according to law and to support the Constitution of the United States. Petitioner will, under the direction of the clerk, pay the fee required by law and any other fee required by the court. Unless such a motion for admission is made within six months of the filing of the petition, the clerk may destroy the petition and a new petition will be necessary before the applicant can be admitted.
- C. Payment of triennial fee. In addition to the fee paid upon admission to the bar of this Court, every attorney admitted must pay a fee of \$45.00 every three years to the Clerk of Court. The triennial fee will be due in the month the attorney was first admitted to this court. As the fee comes due, an attorney will receive an email giving them notice that the payment is due within 30 days. If not paid, an attorney will be moved to inactive status after a final payment

notice has been sent to the attorney's last known email address for noticing. Attorneys admitted in the second or third year of any triennial period, will not be required to make payment until the next triennial period.

- 1) Any attorney moved to inactive status under the provisions above will be automatically reinstated without further notice upon payment of fees.
- 2) An attorney who has retired or is not engaged in the practice of law before this Court may advise the Clerk of Court in writing that the attorney desires to assume inactive status and discontinue the practice of law before this Court. Upon the filing of such a notice, the attorney will be moved to inactive status. An attorney in inactive status will no longer be eligible to electronically file in this court and will not be obligated for further payment of the fee prescribed herein. Reinstatement to active status will be granted (unless the attorney is subject to an outstanding order of suspension or disbarment) upon the payment of any fees due as prescribed by this Rule.
- 3) The fees and costs paid pursuant to these Rules will be maintained by the Clerk of Court as trustee thereof in separate interest bearing, federally insured accounts with such depositories as the court may from time to time approve or invest in obligations of the United States. Funds so held will be disbursed only pursuant to the orders of the court and at no time will they be deposited into the Treasury of the United States.

D. Appearance on Behalf of the United States. Any attorney representing the United States or any agency thereof, having the authority of the government to appear as its counsel, may appear specially and be heard in any case in which the government or such agency is a party, without formal or general admission. Attorneys covered under this section are exempt from payment of any fees for admission, membership renewal or pro hac vice appearance while so employed.

LR83.2.4 Rules of Conduct

This court hereby adopts the Rules of Professional Conduct of the Louisiana State Bar Association, as hereafter may be amended from time to time by the Louisiana Supreme Court, except as otherwise provided by a specific rule of the courts.

LR83.2.5 Attorney Representation

In all cases before this court, any party who does not appear in proper person must be represented by a member of the bar of this court, except as set forth below.

LR83.2.6 Visiting Attorneys

Any member in good standing of the bar of any court of the United States or of the highest court of any state and who is not a member of the bar of this court, may, upon written motion of counsel of record who is a member of the bar of this court, by ex-parte order, be permitted to appear and participate as co-counsel in a particular case.

The motion must have attached to it a certificate of recent date from a court of the United States or

the highest court or bar of the state where the attorney has been admitted showing that the applicant is in good standing. The applicant attorney must state under oath whether any disciplinary proceedings or criminal charges have been instituted against the applicant, and if so, must disclose full information about the proceeding or charges and the ultimate determination, if any.

The applicant attorney must pay a \$105.00 fee to the clerk of court and must take the same oath as members of the bar of this court.

An attorney permitted to appear may participate in a particular action or proceeding in all respects, except that all documents requiring signature of counsel for a party may not be signed solely by such attorney but must also bear the signature of local counsel admitted to practice in the Western District of Louisiana and with whom the visiting attorney is associated.

Local counsel are responsible to the court at all stages of the proceedings.

Designation of the visiting attorney as "Lead Attorney" pursuant to LR11.2 herein shall not relieve the local counsel of the responsibilities imposed by this rule.

The fee described in this rule is applicable in each case in which the visiting attorney seeks recognition as qualified counsel.

LR83.2.7 Waiver by Court Order of Requirements for Local Counsel

In any civil action, a counsel who is ineligible to become a member of the bar of this court under LR83.2.2, may be authorized by court order to appear and act for any party without joinder of local co-counsel when it is shown that:

- A. The party would suffer hardship by joinder of local counsel;
- B. The obligations and duties of counsel in the particular litigation will be fulfilled.

LR83.2.8 Familiarity with and Compliance with Rules

Everyone who appears in court in proper person and every attorney permitted to practice in this court must be familiar with these rules. Willful failure to comply with any of them, or a false certificate of compliance, will be cause for such disciplinary action as the court may see fit, after notice and hearing.

LR83.2.10 Attorney Discipline

A. Initiation of Disciplinary Proceedings

1. Any Article III, Magistrate, or Bankruptcy judge of this District may take action to initiate attorney disciplinary proceedings in accordance with this rule.
2. A complaint of attorney misconduct initiated by one other than a judge of this Court must be filed in writing under oath with the Clerk of the Court, who will immediately refer the matter to the Chief Judge or the Chief Judge's Article III or Magistrate Judge designee for review and the imposition of disciplinary action if appropriate.
3. An attorney admitted to practice before this court must give written notice to the Clerk of Court of any adverse action affecting his or her practice of law within thirty (30) days of such adverse action, including providing copies of the documents from the Louisiana Supreme

Court, or any other acting body, declaring the adverse action. In this context “adverse action” is defined as (a) the filing of formal public charges against him or her by any bar association or committee thereof; (b) issuance of a public reprimand, fine, suspension, or disbarment by any court or bar association or any committee thereof; or (c) the conviction of any felony or of any misdemeanor involving such person’s practice of law. The Clerk of Court will refer all notices of adverse action to the Chief Judge or Article III designee of the Chief Judge.

B. Disciplinary Action

1. Suspension or disbarment imposed by other courts:
If another federal court or the Louisiana Supreme Court takes adverse action against an attorney in the form of a suspension or disbarment of such attorney, this Court may take the same action against the attorney by signature of the Chief Judge. Nothing in this provision will prevent this Court, by majority vote, from taking a different action.
2. Fines or suspensions of 90 days or less imposed by this District:
An Article III, Magistrate, or Bankruptcy judge may impose on a member of the bar of this court fines or suspension of 90 days or less without having to seek the approval of the Article III judges of the court or the Chief Judge.
3. Suspensions of greater than 90 days or disbarments imposed by this District:
An Article III, Magistrate, or Bankruptcy judge of this District must refer proposed suspensions of greater than 90 days or disbarments of attorneys to the Chief Judge or the Chief Judge’s Article III designee to investigate and determine a recommended action to take against the attorney. After notice to the attorney and an opportunity to be heard, the Chief Judge or his or her designee must present any recommended action against the attorney to the Article III judges of this Court. A majority vote of the Article III judges must then be taken on the recommended action at a general or special meeting or by email vote.

C. Reinstatement and Readmission

1. Reinstatement after a suspension of one year or less:
 - (a) Once an attorney has served an active suspension of one year or less pursuant to disciplinary proceedings, the attorney may file a petition for reinstatement with this Court setting forth that the attorney has fully complied with the requirements of the suspension order and the reasons why reinstatement should be granted. The attorney must provide copies of the documents from the Louisiana Supreme Court, or any other acting body, showing why the attorney was suspended, and when reinstated.
 - (b) A decision on reinstatement will be made by a majority vote of the Article III Judges after consultation at a general or special meeting or by email vote.
2. Reinstatement after a suspension of more than one year and readmission after disbarment:
 - (a) In the event that a member of the bar of this Court has been suspended more than one year or disbarred, the attorney may file a petition for reinstatement or readmission with this Court setting forth the reasons why reinstatement or readmission should be granted and providing documentation of the original suspension of more than one year or disbarment and copies of any action by the Louisiana Supreme Court, or any other acting body, declaring the attorney reinstated or readmitted.
 - (b) The petition for reinstatement or readmission will be submitted to the Article III judges of this Court who will either grant or deny the petition or refer the same to a

Special Master or Magistrate Judge for a report and recommendation. Final action will be by majority vote of all the Article III judges of the Court after consultation, either at a general or special meeting or by email vote.

3. Expedited Review

An attorney may, in the event of exigent circumstances and with documentation showing good cause, request the Court review a petition for reinstatement or readmission in an expedited fashion. The request will be forwarded to the Chief Judge or his or her designee for review and consideration.

D. Judicial Control

Nothing in this rule will be read to limit the inherent powers of a judge to control litigation, nor to limit the powers to impose fines, penalties and sanctions granted under the Federal Rules, United States Code or as otherwise authorized by law.

LR83.2.11 Continuing Representation, Withdrawals, Substitution of Counsel

Enrolled counsel of record will be held to represent the party for whom he or she appears unless the court permits counsel to withdraw from the case. If a motion to withdraw does not provide for substitution of counsel or would otherwise result in a *pro se* party, the motion to withdraw must contain the client's present address, telephone number and email as well as the client's signature approving counsel's requested withdrawal. If counsel seeking to withdraw is unable to obtain a client's signature, such counsel must provide the court with a signed certificate stating specifically why, after due diligence, the attorney was unable to obtain the client's signature. The motion must also be accompanied by a certificate of service, including a statement that the client has been notified of all deadlines and pending court appearances, on both the client by certified mail and opposing counsel, or an affidavit stating why service has not been made. The Court may, in its discretion, hold a hearing with the attorney and client present before authorizing an attorney to withdraw.

LR83.2.12 Additional Counsel

Where counsel has appeared for any party, other counsel may appear for the same party only:

- A. Upon motion of counsel of record for that party, or motion consented to by him/her; or
- B. Upon motion, after counsel for the party has been permitted to withdraw or has died, or is incapacitated, or cannot be found; or
- C. Upon motion of a party after notice to counsel of record and a hearing thereon.

LR83.2.13 Appearances by Law Students

- (a) Limited appearances by law students, if the person on whose behalf the student is appearing has consented to that appearance in writing and the supervising lawyer has also approved the appearance in writing, are allowed in any civil matter in which a fee is not provided for or could not reasonably be anticipated.
- (b) The written consent and approval referred to above must be filed in the record of the case and shall be brought to the attention of the Judge.
- (c) The supervising lawyer must personally be present throughout the proceedings and will be responsible for the manner in which they are conducted.

- (d) *Prerequisites to Law Student Appearances.* In order to make an appearance pursuant to this rule, the law student must:

 - (4) Be introduced to the Court by an attorney admitted to practice in this Court;
 - (5) Neither ask for nor receive remuneration of any kind for services;
 - (6) Take the following oath:
"I, _____, do solemnly swear that I will support the Constitution of the United States and of the State of Louisiana and have read and am familiar with the Code of Professional Responsibility of the Louisiana State Bar Association, and I understand that I am bound by the precepts therein contained as fully as if I were admitted to the practice of law in Louisiana; and that I further accept the privileges granted to me as well as the responsibilities which will devolve upon me, so that I may be more useful through my clinical education in the service of justice."
 - (7) *Certification of Students.* The certification of a student by the law school dean or chancellor:
 - a. Must be filed with the Clerk of Court and, unless sooner withdrawn, it will remain in effect for twelve months after it is filed, or until the announcement of the results of the first bar examination following the student's graduation, whichever comes earlier. For any student who passes that examination, the certification will continue in effect until the date one is admitted to the bar.
 - b. May be withdrawn by the dean or chancellor at any time by mailing a notice to that effect to the Clerk of Court. The notice need not state the cause for withdrawal.
 - c. May be terminated by this Court at any time without notice or hearing and without any showing of cause. Notice of the termination may be filed with the Clerk of Court.
 - (8) *Supervision of Students.* The member of the bar under whose supervision an eligible law student works must:
 - a. Be admitted to practice before this Court, and be approved by the dean or chancellor of the law school in which the law student is enrolled for service as a supervising lawyer for this program;
 - b. Assume personal professional responsibility and liability for the student's guidance in any work undertaken and for supervising the quality of the student's work;
 - c. Assist the student in the student's preparation.

12. In making objections counsel should state only the legal grounds for the objection and should withhold all further comment or argument unless elaboration is requested by the court.
13. In examining a witness, counsel must not repeat or echo the answer given by the witness.
14. Offers of, or requests for, a stipulation should be made privately, not within hearing of the jury.
15. In opening statements and in arguments to the jury, counsel must not express personal knowledge or opinion concerning any matter in issue, and must not suggest to the jury, directly or indirectly, that it may or should request transcripts or the reading of any testimony by the reporter.
16. Counsel must admonish all persons at counsel table that gestures, facial expressions, audible comments, or the like, as manifestations of approval or disapproval during the testimony of witnesses, or at any other time, are absolutely prohibited.

LOCAL CRIMINAL RULE 53 - REGULATION OF CONDUCT IN THE COURTROOM

LCrR53.1 Dissemination of Information Concerning Pending or Imminent Criminal Litigation by Lawyer Prohibited

It is the duty of the lawyer not to release or authorize the release of information or opinion for dissemination by any means of public communication, in connection with pending or imminent criminal litigation with which he or she is associated, if there is a reasonable likelihood that such dissemination will interfere with a fair trial or otherwise prejudice the due administration of justice.

LCrR53.2 Pending Investigations

When there is a grand jury or other pending investigation of any criminal matter, a lawyer

participating in the investigation must refrain from making any extrajudicial statement, for dissemination by any means of public communication, that goes beyond the public record or that is not necessary to inform the public that the investigation is under way, to describe the general scope of the investigation, to obtain assistance in the apprehension of a suspect, or to warn the public of any dangers, or otherwise to aid in the investigation.

LCrR53.3 Extrajudicial Statements Concerning Specific Matters

From the time of arrest, issuance of an arrest warrant or the filing of a complaint, information, or indictment in any criminal matter until the commencement of trial or disposition without trial, a lawyer associated with the prosecution or defense must not release or authorize the release of any extrajudicial statement for dissemination by means of public communication relating to that matter and concerning:

- A. The prior criminal record (including arrests, indictments, or other charges of crime), or the character or reputation of the accused, except that the lawyer may make a factual statement of the accused's name, age, domicile, occupation, and family status; and, if the accused has not been apprehended, a lawyer associated with the prosecution may release information necessary to aid in the accused's apprehension or to warn the public of any dangers he or she may present;
- B. The existence or contents of any confession, admission, or statement given by the accused, or the refusal or failure of the accused to make any statement;
- C. The performance of any examinations or tests or the accused's refusal or failure to submit to an examination or test;
- D. The identity, testimony, or credibility of prospective witnesses, except that the lawyer may announce the identity of the victim if the announcement is not otherwise prohibited by law;
- E. The possibility of a plea of guilty to the offense charged or a lesser offense;
- F. Any opinion as to the accused's guilt or innocence or as to the merits of the case or the evidence in the case.

Upon the showing of good cause by any party, the application of this Rule may be changed or modified to any extent by the court.

LCrR53.4 Disclosures Authorized

The foregoing must not be construed to preclude the lawyer during this period, in the proper discharge of his/her official or professional obligations, from announcing the fact and circumstances of arrest (including the time and place of arrest, resistance, pursuit, and use of weapons), and the identity of the investigating and arresting officer or agency, and the length of the investigation; from making an announcement, at the time of seizure of any physical evidence other than a confession, admission or statement, which is limited to a description of the evidence seized; from disclosing the nature, substance, or text of the charge, including a brief description of the offense charged; from quoting or referring without comment to public records of the court in the case; from announcing the scheduling or result of any stage in the judicial process; from requesting assistance in obtaining evidence; or from announcing without further comment that the accused denies the charges made against him or her.

LCrR53.5 Extrajudicial Statements During Trial

During the trial of any criminal matter, including the period of selection of the jury, no lawyer associated with the prosecution or defense may give or authorize any extrajudicial statement or interview, relating to the trial or the parties or issues in the trial, for dissemination by any means of public communication, except that the lawyer may quote from or refer without comment to public records of the court in the case.

LCrR53.6 Extrajudicial Statements After Trial and Prior to Sentence

After the completion of a trial or disposition without trial of any criminal matter, and prior to the imposition of sentence, a lawyer associated with the prosecution or defense must refrain from making or authorizing any extrajudicial statement for dissemination by any means of public communication if there is a reasonable likelihood that such dissemination will affect the imposition of sentence.

LCrR53.7 Matters Not Precluded

Nothing in these rules is intended to preclude the formulation or application of more restrictive rules relating to the release of information about juvenile or other offenders, to preclude the holding of hearings or the lawful issuance of reports by legislative, administrative, or investigative bodies, or to preclude any lawyer from replying to charges of misconduct that are publicly made against him or her.

LCrR53.8 Disclosure of Information by Courthouse Personnel

All courthouse personnel, including marshals, deputy marshals, guards, court clerks, deputy clerks, law clerks, secretaries, bailiffs and court reporters, must under no circumstances disclose to any person, without express authorization by the court, information relating to a pending criminal case or grand jury matter that is not part of the public records of the court. This rule specifically forbids the divulgence of information concerning arguments and hearings held in chambers or otherwise outside the presence of the public.

LCrR53.9 Special Orders

In a widely publicized or sensational case, the court, on motion of either party or on its own motion, may issue a special order governing such matters as extrajudicial statements by parties and witnesses likely to interfere with the rights of the accused to a fair trial by an impartial jury, the seating and conduct in the courtroom of spectators and news-media representatives, the management and the sequestration of jurors and witnesses and any other matters that the court may deem appropriate for inclusion in such an order.

LCrR53.10 Subjects of Special Order

Such a special order may be addressed to some or all of the following subjects:

- A. A proscription of extrajudicial statements by participants in the trial, including lawyers, parties, witnesses, jurors, and court officials, that might divulge prejudicial matter not of public record in the case;
